Backend: FastAPI, REST API Development, SQLAlchemy

User Interface: Material UI Joy UI, Bootstrap

Database: SQL, (Advanced), PostGre SQL (Intermediate)

Frameworks: React (Intermediate), Flask (Advanced), Django (Intermediate)

Dev Tools: Git, Github, PgAdmin

Specializations: Web Development (Full Stack), Machine Learning, Database Management

Language: Chinese Mandarin (Conversational)

Certifications

- Harvard University's CS50x: Introduction to Computer Science (2024)
- Google's Cybersecurity Course: Google Career Certificates (2024)
- Kaggle Machine Learning (2025)

Projects

Full Stack Web Applications

- Project LiF: Lipreading Learning Tool
- E-Commerce (Lemonaddie)
- Journal Website
- Triple Q Construction
- Philippine Tourism Website
- Online Library Shop
- Auction Website
- Network Website
- Mail Website
- Wiki Website
- HR Information System
- Fuel Monitoring System
- Consumption Tracker Website
- Employee Management System
- Attendance System
- Writer's Website

Other Projects

- **User Interface Clones:** Facebook, Instagram, Linkedin, X, Youtube, Spotify, Amazon
- **Static Websites:** PRMSU CCIT Website, Blured AI (Presented to IRCITE 2024)
- **Application:** POS System (VB.NET)

Research

- **Project LiF: A Lipreading Learning Tool for Basic Filipino Words using 3D Convolutional Neural Network and Bidirectional Neural Network**
Team Leader, Lead Developer, Lead Researcher, 2025
- **Readiness of Senior High School Students in Online Learning Modality Amidst Covid-19 Pandemic**
Lead Researcher, 2022

Competitions

National Academy of Science and Technology – Magsaysay Future Engineer / Technologist Awards

Finalist, Special Citations Award

International Research Conference on Information Technology – IT Marketing

Presenter | Competitor

Regional Assembly on Information Technology Education – Quiz Bee

Competitor

TechnoFest Quiz Bee – College of Communication and Information Technology

Champion

TechnoFest Programming Challenge– College of Communication and Information Technology

Competitor

Division Level Competition: Chinese Mandarin Quiz Bee

Competitor

Leadership Experience

Association of Students for Communication and Information Interchange (ASCII)

Vice President, 2023

Peer Facilitators Organization

Member, 2023

Supreme Student Government (PRMSU – Main Campus)

Legislative Officer, 2024

College of Communication and Information Technology – Student Body Organization

President, 2024

Association of Students for Communication and Information Interchange (ASCII)

Sergeant at Arms, 2025

College of Communication and Information Technology – Student Body Organization

4th Year Representative , 2025

Seminars and Webinars

International Research Conference on Information Technology (IRCITE)

Participant

Iba Student Leaders' Assembly (ISLA)

Facilitator

CCIT Women's Month Celebration: WE for Gender Equality and Inclusive Society

Proponent, Facilitator

6th Student Leaders' Congress 2025: Building Innovative, Nationalistic, and Humane Individuals (BINHI)

Participant

SMART Skills: Skills Mastery and Readiness in Technology

Proponent, Facilitator

Project MAGKAMIHA: Strengthening Student Leadership and Governance

Participant

Unleashing Potentials: Enhancing Leadership by Empowering Growth and Unity

Participant

Regional Assembly on Information Technology Education (RAITE) 2024

Participant

Exploring JavaScript Essentials Webinar

Proponent, Facilitator

Navigating the Artificial Intelligence Frontier: Strategies, Tools, and Ethics in Digital Era

Participant

Philippine Association of Campus Student Advisers (PACSA)

Participant

Unleashing New Leadership and Development (UNLAD)

Facilitator
